|                             | ⊠Validated  |
|                             |   |

## **Summary sheet**

The validation results for this resource are as follows (please refer to the Validation Guidelines for the meaning of the various items):

| Validation steps                                  | Validated<br>(check box if yes) | Comments |
|---|---------------------------------|----------|
| 1) ELRC scope (see section 1 for details)         | $\boxtimes$                     |          |
| 2) Quick content check (seesection 2 for details) | $\boxtimes$                     |          |
| 3) LR Metadata (see section 3 for details)        | $\boxtimes$                     |          |
| 4) Legal issues (see section 4 for details)       | $\boxtimes$                     |          |

**ELRC Data Validation Report** 

## **1.** Compliance with ELRC scope

|  | Validated<br>(check box if yes) | Comments |
|--|---------------------------------|----------|
| Data origin (comes from public institutions or relevant to           | $\boxtimes$                     |          |
| the generaladministrative/regulatory domain and does not             |                                 |          |
| come from the European Commission)                                   |                                 |          |
| Language(s) of the data content <sup>1</sup> (not the documentation) | $\boxtimes$                     |          |

## **2.** Quick content check

|  | Validated<br>(check box if yes) | Comments |
|--|---------------------------------|----------|
| Readability of files   | $\boxtimes$                     |          |
| Data content acceptability (no empty files, correct alignment for parallel corpora,) | $\boxtimes$                     |          |

## 3. Validation of LR Metadata

## a. General information

|   | Validated<br>(check box if yes) | Comments       |
|---|---------------------------------|----------------|
| Language used in free text fields are CEF languages     | $\boxtimes$                     |                |
| Does the "resource name" field contain an English       | $\boxtimes$                     |                |
| version   |                                 |                |
| Does Language(s) in "description" field contain an      | $\boxtimes$                     |                |
| English version   |                                 |                |
| Is there any information mentioning Pre-processing done | $\boxtimes$                     | aligned at the |
| by the provider   |                                 | sentence level |
| Is there any information mentioning Pre-processing done |                                 |                |
| through ELRC services                                   |                                 |                |
| Has any converting been performed on this resource to   | $\boxtimes$                     |                |
| make it directly useful for training MT engines of the  |                                 |                |
| Automated Translation platform                          |                                 |                |

<sup>&</sup>lt;sup>1</sup>Should contain at least one of the following languages: Bulgarian, Croatian, Czech, Danish,Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Icelandic, Irish, Italian, Latvian, Lithuanian,Maltese, Norwegian, Polish, Portuguese, Romanian, Slovakian, Slovenian, Spanish, Swedish

#### **ELRC Data Validation Report**

# **b.** Accuracy of completed metadata with respect to provided LR

| Mandatory metadata  | Current value   | Correct     | Wrong | Missing | Comments |
|---|---|-------------|-------|---------|----------|
| field names   |   |             |       |         |          |
| Resource name   | English-Slovak<br>parallel corpus of<br>texts from The<br>Ministry of<br>Justice of the |             |       |         |          |
|   | Slovak Republic<br>(Processed)  |             |       |         |          |
| Resource type   | Corpus  | $\boxtimes$ |       |         |          |
| PSI - Public Sector<br>Information  | Yes   | $\boxtimes$ |       | n/a     |          |
| Licence   | Open Under PSI  | $\boxtimes$ |       |         |          |
| Contact<br>personsurname  | Zumrik  | $\boxtimes$ |       |         |          |
| Contact person email  | miroz@korpus.sk   | $\boxtimes$ |       |         |          |
| Linguality type   | Bilingual   | $\boxtimes$ |       |         |          |
| Lexical conceptual<br>resource or Language<br>description type (n/a<br>for corpora) | n/a   |             |       |         |          |
| Language(s) name  | Slovak, English   | $\boxtimes$ |       |         |          |
| Encoding level (n/a for corpora)  | n/a   | $\boxtimes$ |       |         |          |
| Character encoding<br>(applicable for corpora<br>only)                              | UTF8  |             |       |         |          |

| Allows Uses Besides<br>DGT   | Yes  | $\boxtimes$ |       |          |
| Relation type and ID of related resource                                     | Is Version of #329                         |             |       |          |

#### ELRC Data Validation Report

### 4. Legal validation

# a. If "PSI - Public Sector Information" metadata checkbox is ticked

|  | Validated<br>(check box if yes) | Comments |
|--|---------------------------------|----------|
| "Licence field" value is identified (any value except          | $\boxtimes$                     |          |
| "under review") or indicated as "not available" if             |                                 |          |
| information about the licence is notavailable                  |                                 |          |
| If attribution is required, IPR Holder(s) is identified in the |                                 |          |
| "IPR holder" field   |                                 |          |
| Privacy/Confidentiality (if the resource is identified as      |                                 |          |
| private or confidential, is "Personal Data Included" or        |                                 |          |
| "Sensitive Data Included" box ticked?)                         |                                 |          |

# b. If "PSI - Public Sector Information" metadata checkbox is not ticked

|  | Validated<br>(check box if yes) | Comments |
|--|---------------------------------|----------|
| "Licence field" value is identified (any value except          |                                 |          |
| "under review")  |                                 |          |
| If attribution is required, IPR Holder(s) is identified in the |                                 |          |
| "IPR holder" field   |                                 |          |
| Privacy/Confidentiality (if the resource is identified as      |                                 |          |
| private or confidential, is "Personal Data Included" or        |                                 |          |
| "Sensitive Data Included" box ticked?)                         |                                 |          |

## **5. Further comments**

The segment pairs were in a text file with specific delimiters. Conversion to TMX was applied.
